

KNOWLEDGE AND SKILLS - CHILDREN WILL LEARN TO:
 Read a few common exception words matched to the school's phonic programme.
 Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.
 Re-read these books to build up their confidence in word reading, their fluency and their understanding and enjoyment.
 Form lower-case and capital letters correctly.
 Spell words by identifying the sounds and then writing the sound with letter/s.
 Write short sentences with words with known sound-letter correspondences using a capital letter and full stop.
 Re-read what they have written to check that it makes sense.

We intend for children to be able to tell a story, become an effective reader and write a sentence to express their ideas, thoughts or opinions.

Literacy

Communication and Language

We intend for children to be effective communicators. They will have and use a rich vocabulary.

KNOWLEDGE AND SKILLS - CHILDREN WILL LEARN TO:
 Understand how to listen carefully and why listening is important.
 Learn new vocabulary.
 Use new vocabulary through the day.
 Ask questions to find out more and to check they understand what has been said to them.
 Articulate their ideas and thoughts in well-formed sentences.
 Connect one idea or action to another using a range of connectives.
 Describe events in some detail.
 Use talk to help work out problems and organise thinking and activities, and to explain how things work and why they might happen.
 Develop social phrases.
 Engage in storytimes.
 Listen to and talk about stories to build familiarity and understanding.
 Retell the story, once they have developed a deep familiarity with the text, some as exact repetition and some in their own words.
 Use new vocabulary in different contexts.
 Listen carefully to rhymes and songs, paying attention to how they sound.
 Learn rhymes, poems and songs.
 Engage in non-fiction books.
 Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.

KNOWLEDGE AND SKILL - CHILDREN WILL LEARN TO:
 Count objects, actions and sounds.
 Subitise.
 Link the number symbol (numeral) with its cardinal number value.
 Count beyond ten.
 Compare numbers.
 Understand the 'one more than/one less than' relationship between consecutive numbers.
 Explore the composition of numbers to 10.
 Automatically recall number bonds for numbers 0-5 and some to 10.
 Select, rotate and manipulate shapes to develop spatial reasoning skills.
 Compose and decompose shapes so that children recognise a shape can have other shapes within it, just as numbers can.
 Continue, copy and create repeating patterns.
 Compare length, weight and capacity.

We intend for children to develop a love of mathematics, to be interested, curious and creative, and to be able to solve problems using mathematics.

Mathematical Development

Physical Development

We intend for all children to develop a lifelong enjoyment of physical activity, fitness and healthy living.

KNOWLEDGE AND SKILLS - CHILDREN WILL LEARN TO:
 Revise and refine the fundamental movement skills they have already acquired; rolling, crawling, walking, jumping, running, hopping, skipping, climbing.
 Progress towards a more fluent style of moving, with developing control and grace.
 Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming.
 Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons.
 Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.
 Combine different movements with ease and fluency.
 Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.
 Develop overall body-strength, balance, co-ordination and agility.
 Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming.
 Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball.
 Develop the foundations of a handwriting style which is fast, accurate and efficient.
 Further develop the skills they need to manage the school day successfully; lining up and queueing, mealtimes

EYFS KNOWLEDGE AND SKILLS PROGRESSION

Expressive Arts and Design

We intend for children to design, create and be a confident performer.

KNOWLEDGE AND SKILLS - CHILDREN WILL LEARN TO:
 Explore, use and refine a variety of artistic effects to express their ideas and feelings.
 Return to and build on their previous learning, refining ideas and developing their ability to represent them.
 Create collaboratively, sharing ideas, resources and skills.
 Listen attentively, move to and talk about music, expressing their feelings and responses.
 Watch and talk about dance and performance art, expressing their feelings and responses.
 Sing in a group or on their own, increasingly matching the pitch and following the melody.
 Develop storylines in their pretend play.
 Explore and engage in music making and dance, performing solo or in groups.

KNOWLEDGE AND SKILLS - CHILDREN WILL LEARN TO:
 Talk about members of their immediate family and community.
 Name and describe people who are familiar to them.
 Comment on images of familiar situations in the past.
 Compare and contrast characters from stories, including figures from the past.
 Draw information from a simple map.
 Understand that some places are special to members of their community.
 Recognise that people have different beliefs and celebrate special times in different ways.
 Recognise some similarities and differences between life in this country and life in other countries.
 Explore the natural world around them.
 Describe what they see, hear and feel whilst outside.
 Recognise some environments that are different from the one in which they live.
 Understand the effect of changing seasons on the natural world around them.

We intend for children to be a responsible member of the community with an understanding of diversity. They will explore and discover the world around them, asking questions and investigating the answers.

Understanding the World

Personal, Social and Emotional Development

We intend for children to develop their perception of themselves and others as well as building resilience, in a holistic way.

KNOWLEDGE AND SKILLS - CHILDREN WILL LEARN TO:
 See themselves as a valuable individual.
 Build constructive and respectful relationships.
 Express their feelings and consider the feelings of others.
 Show resilience and perseverance in the face of challenge.
 Identify and moderate their own feelings socially and emotionally.
 Think about the perspectives of others.
 Manage their own needs.
 Know and talk about the different factors that support their overall health and wellbeing.
